

**TIRED OF LOSING SALES?
LOOKING TO REDUCE COSTS?**

YOU NEED A SALES PROFESSIONAL

**ONE THAT WILL FIGHT FOR
EVERY SALE & BEST MARGINS**

Whether you require executive representation or need a specific product or a complete product-line brought to market, either locally or internationally, you can expect me to exceed your expectations!

I am a highly accomplished, fluently bilingual, Strategic Sales & Business Development Professional with a polished presentation and tangible experience within the Aerospace, Automotive and all the High-Tech Component, Engineered & Industrial Manufacturing Industries.

If you're repeatedly losing sales to the competition, constantly discounting, not getting the results that you're expecting and/or falling short of forecasts far too often...time for us to talk!

20+ YEARS OF EXPERIENCE

My mission is clear, I will deliver measurable value by optimizing processes and reducing transactional and or product specific costs while increasing overall revenue and profit margins.

FIRST

**I'LL IMPLEMENT A
HIGHLY ACCURATE
SALES STRATEGY**

SECOND

**I'LL OPTIMIZE YOUR
SALES CYCLE or
PROCESSES**

THIRD

**I'LL INCREASE YOUR
SALES & MAX YOUR
PROFIT MARGINS!**

If you're considering or are simply interested in discussing professional product or territory based representation let's open a dialogue on a strategy and execution plan that works best for your organization
